## **FEE TYPE DESCRIPTIONS**

A – Nil Cost Recovery – there is no charge for these types of goods and services. All costs associated with this good/service are met from either general revenues, grants, contributions or various combinations of same.

B – Minimal Cost Recovery – The price for these items is set to meet a small contribution towards the cost of the item. The majority of the cost of this item is met from either general revenues, grants, contributions or various combinations of same.

C – Majority Cost Recovery – The price for these items is set to make a substantial contribution towards the cost of service.

D – Full Operating Cost Recovery – The price for these items have been set to cover the operating cost of providing the item.

E – Full Cost and Partial Capital Cost Recovery – The price of these items is set to recover annual operating costs and to make a contribution to the cost of replacement of the infrastructure assets utilised in providing the item.

F – Regulatory Fees – The price charged for these items is a statutory charge set by legislation and may change without notice.

### **REGULATORY DISCLAIMER**

The Fee Unit amount is determined under the Environmental Planning and Assessment Regulation 2021 (the Regulation). The Regulation provides for an annual increase of the Fee Unit in accordance with movements in the Consumer Price Index (CPI) for the Quarter ending 31 March in each year from 2023.

(Refer to the Environmental Planning and Assessment Regulation 2021 Schedule 4 for any other Statutory fees and charges not listed in this schedule).

Note: In the event of any inconsistency between the fee shown in this Policy and the Regulation, the fee in the Regulation prevails.

The Fee Unit Amount for 2024 Financial Year is \$107.28
